

# PGE School Website Internet Resources

School URL (website address) → [blogs.egusd.net/pleasantgrove](https://blogs.egusd.net/pleasantgrove)

As part of an ongoing effort to extend learning outside the classroom, Internet resources have been made available to PGES students on the school web site.

**Default username:** Student ID #

**Default password:** Last 4 digits of ID# + birthday (2-digit month, 2 digit day)

*Teacher can provide you with your child's Student ID# (ex: 99212345). Older students **may** be allowed to CHANGE their passwords at a later date. Forgotten passwords will be reset to the default password above*

## *Always know your child's Student ID and passwords*

### Student/parent resources on the school website

(More detailed information can found on the under Programs/Resources)

#### NEW!!!-EGUSD ClassLink Portal

- Access Wonders Reading program (plus other links-EGUSD will change & update these over time)

#### AR Home Connect (2<sup>nd</sup>-6<sup>th</sup>)

- View your child's reading history and progress toward their goals
- View point totals by trimester (marking period) or the whole year
- Receive email notification when your child has taken an AR quiz

#### AR Book Find (all grades)

- Search for AR books BEFORE reading
- Find award winning book collections to read
- No login required

#### GoMath (K-6)

- Students can access math resources/activities under "Library"
- Teachers can assign assignments online under the "To Do" section

#### TypingWeb (3<sup>rd</sup>-6<sup>th</sup>)

- Students can practice touch typing (no looking) at school & home

#### Other websites for home use use:

- Tumblebooks (online stories)
- Google Classroom (direct link to Google Classroom)
- MobyMax (practice of core skills)
- Khan Academy (practice/instruction of core skills)
- Teach Your Monster to Read (K-2 only reading support/game)
- SBAC (practice the online test anytime)
- MangaHigh (math games)
- Online Library (catalog-ONLY works @ school, not from home)

Reading/Math/Technology

Links to web resources are on the left side of the website

There are also more links under on the Computer Lab site

Access **WONDERS Reading resources** by first logging into the portal with your **entire e-mail & password** used for Chromebooks

Ex: 997xxxxxx@egusd.net
